

VERSA SHINE

FLOOR FINISH

Features & Benefits:

- DURABLE FILM FOR HIGH TRAFFIC
- 18% SOLIDS FINISH
- PROVIDES A THIN, TOUGH FINISH FOR DURABLE PROTECTION

Description:

A tough, high gloss floor finish that resists heel and scuff marks, with excellent leveling, and anti-slip qualities. Recommended for all floors – linoleum, asphalt, rubber, vinyl, terrazzo, concrete and well sealed wood floors.

Directions:

First time application:

1. Before application, remove old coatings with a Custom Solutions™ stripper.
2. Pick up stripper solution using a mop or wet vac.
3. Thoroughly rinse floors with clean water after stripping or deep scrubbing. For best results, apply 2 coats of a Custom Solutions™ Sealer.
4. Apply 2 to 4 coats of Versa Shine floor finish. Allow at least 30 minutes between coats.

Recoat:

1. Dry mop area.
2. Scrub with Code Blue - Rinse.
3. Apply Versa Shine floor finish using a finish mop.

Maintenance:

1. Dry mop area.
2. Clean with Clarity Neutral Floor Cleaner.
3. Restore with Gloss Keeper as needed.

Caution: Do not use this product on unsealed wood or cork surfaces.

Read label and SDS completely before using this product. KEEP FROM FREEZING.

pH: 8.5

Colour: Opaque white

Fragrance: Polymer
