

ERASER

HEAVY DUTY STRIPPER

Features & Benefits:

- FOR TOUGHEST STRIPPING JOBS
- REMOVES MULTIPLE COATS OF EVEN UHS FINISHES

Description:

Formulated to penetrate and emulsify burnished UHS Floor Finishes. Even the toughest burnished finishes can usually be removed in one application.

Directions:

1. Mix a 1:4 dilution of Eraser Floor Stripper.
2. Apply solution liberally to floor with a mop. Allow solution to soak for 5 - 10 minutes.
Do not allow solution to dry on floor. Reapply additional solution if necessary.
3. Agitate the solution using the same mop or use an auto scrubber with black pads.
4. Pick up the solution with a wet vac or auto scrubber.
5. Rinse floor with clean water to ensure all stripper residue is completely removed from floor.
6. Allow floor to dry thoroughly. Apply Custom Solutions floor finish according to label directions.

Caution: Do not use on unsealed wood or cork surfaces.

Read label and SDS completely before using this product. KEEP FROM FREEZING.
