

REGAL

20% PHOSPHORIC

Features & Benefits:

- **PERFECT FOR DAILY CLEANING**
- **DEODORIZES**
- **REMOVES CALCIUM AND RUST**

Description:

A viscous, clinging formula for deep cleaning in a single step.

Directions:

CLEANING: For daily cleaning out of tubs – wash basins – shower stalls – drinking fountain, etc,...Dilute cleaner with up to 5 parts of tap water. Rinse thoroughly after cleaning.

FOR DAILY CLEANING OF TILE & PORCELAIN:

Dilute cleaner with up to 5 parts tap water and rinse with water or go over with damp sponge or cloth.

FOR DAILY CLEANING OF STAINLESS STEEL EQUIPMENT (such as counter tops, freezers, etc.)

Dilute cleaner with up to 3 parts water. Rinse thoroughly after cleaning.

FOR CLEANING & DEODORIZING TOILET BOWLS:

To remove calcium and rust incrustations, discolorations and other deposits: Flush toilet, then remove water from bowl by forcing it over trap with applicator. Holding bottle over bowl, start cleaning under the rim where water outlets are located. Then apply small amount directly to applicator. Thoroughly clean top of rim and all other areas of bowl.

FOR CLEANING & DEODORIZING URINALS:

Flush urinal, apply product to applicator while holding applicator over urinal. Clean entire surface especially under rim and at water outlets. Pour a small amount into urinal and let stand for several minutes to remove odors from trap. This is a special cleaner, designed for institutional and industrial cleaning of porcelain, tile, fixtures, stainless steel and other inanimate hard surfaces. When used as directed, will also deodorize those areas, which generally are hard to keep fresh smelling, such as garbage pails, sink tops and bathroom areas which are prone to odors.

pH: <1
